Westover Villas … 11 and 12

A close up front view of numbers 11 and 12 on the right here. Similar in style to the other semi-detached pairs, numbers 1&2, and 7&8 with an 'Italianate tower' at each end.
In this case though the villas look a bit more substantial than those other 'pairs'.
A rare glimpse of numbers 9 and 10 on the extreme left of the photo.

The aerial view of the rear shown below suggests quite a complex structure, with some evidence of interconnections with number 10.
Certainly contemporary maps indicate some sort of physical connection between these 3 villas.
Quite what that was remains a mystery at the moment?….
