Westover Villas … 3 and 4

'Close up' photos of Westover Villas numbers 3 & 4 seem to be very rare. We've not discovered any so far – although we can always hope that one will appear one day! Unlike numbers 1 & 2, these 2 villas are detached, and quite different from each other. Sadly there's not much detail to be found in this 'long shot', believed to have been taken from Terrace Mount…. The image probably dates from around 1860, judging from the status of St. Peter's construction, which can be observed in the photo from which this 'cropped' image has been extracted.
