The Westover Villas ... From Terrace Mount

This view of the Westover Villas - taken from Terrace Mount - dates from around 1863.
This date is estimated from the state of construction of St. Peter's church, seen on the extreme left of the picture.
We can see Portman Lodge in the foreground, with the Westover Villas seen nestling beyond the trees that formed a large part of the 'Westover Pleasure Grounds' at that time.
In some cases, these are the only known images of the fronts of some of the villas.
Immediately behind we see a second row of Villas in Hinton Rd. Some of those survive to this day.... Sadly, all the Westover Villas are no more....
